The real deal.

I'm very happy with this product, its standards and effects.

The consistency of this tincture is thick and hearty, unlike other CBD tincture's I've tried. You can tell it's potent.

The short term effects are instant relief from panic attacks and anxiety (when taken sub-lingually)

The long term effects have been better athletic and work performance.

Thanks for making a clean product!

For years I struggled with sleep. Finding an organic supplement without side effects that actually worked for me on multiple levels. Today I get full REM sleep I wake up feeling good, clear and ready to take on the day.

Thank you Ojai Energetics

This is a miracle substance! I have been taking a dropper-full a day for the last week; undiagnosable pains are falling away, I have more energy than I've had in years, and I get full REM sleep. I feel clean, clear and bright and the best I have felt in years!

Thank you, thank you, thank you!!!

I'm hooked (in a very good way). Years of a burning sensation in my colon – CT scans, bacterial tests, colonoscopy etc. ...nothing found, nothing helped.
